

## About Miss Kaitlyn

Hi, I'm Kaitlyn! I have been teaching for the past four years and have been Montessori Certified for two. I love the child centered approach to education and the ability to ensure every child gets what they need to be successful. I enjoy creating a classroom community where every child gets the chance to feel seen, heard, and loved. I have a passion for fostering a love for learning, ensuring strong social emotional skills, and for just having fun!

When I am not in the classroom you can find me in one of two places: somewhere outside or near my many animals. I take in rescues, help them get back to being healthy, and inevitably end up providing them a loving home! I enjoy activities that lead to outdoor adventures like hiking, running, kayaking, paddleboarding, and even surfing (though I'm not so good at that last one yet!)

When I set foot in South Shore Montessori, I saw a school that shared my philosophy and values. I am so excited to join the team and work together to create a classroom full of joy and love!
